About Us

From humble beginnings in 1944, Roberts Manufacturing Co. Limited (RMCO) has grown into one of the region's leading food manufacturing companies.

Headquartered on a 21- acre site at Lower Estate, St. Michael, Barbados, RMCO is jointly owned by PROVEN Group Limited (Jamaica) and the Ansa McAL Group of Companies (Trinidad & Tobago).

3. Stirring with a fork, add enough milk (do not add all at once) until the mixture leaves the sides of bowl and forms a soft moist dough.
4. If using a food processor, combine flour, baking powder and salt. Process with 5 on/off pulses to mix. Add **VelvoKris Vegetable Shortening** to flour mixture. Process until mixture resembles coarse crumbs. Add ½ of the milk, process with on/off pulses just until ball starts to form. Add more milk if needed.
5. On a floured surface, gently knead dough until it is no longer sticky. Roll dough to desired thickness about 2 inches thick, cut with a round floured cutter.
6. Place biscuit circles on a lined cookie sheet. Bake at 450 °F for 10-15 minutes or until golden brown.
